

“Looking to Jesus”

Sermon Notes

Reading: 2 Cor 11:23-30

We can find the strength to endure hardship in our Christian walk by reminding ourselves of ...

1. ... the team, the crowd of witnesses surrounding us. (v 1)

2. ... the target, Jesus, the founder and perfecter of our faith. (vv 2-4)

3. ... the training we must endure as children of God and heirs (vv. 5-11).

Implication: The Christian faith gives us tremendous resources for dealing with suffering. Seize hold of these resources which God has provided to fortify our endurance.
