

Community Group Study Guide

For the Week of December 26th – January 1st

This week, for our study of 2 Chronicles 20:1-30, we'll be using a set of Bible study questions known as the "Secret Sauce"¹. They're useful for thinking through any text of Scripture. May they prove fruitful as you work through our text of Scripture.

Open Your Bible To 2 Chronicles 20:1-30...

1. What does this text say about God?
2. What does this text say about people?
3. What does this text tell me to do?
4. How am I not doing it?
5. How did Jesus do it perfectly?
6. How does Jesus take away my sin? How do I see Jesus' life as a benefit leading towards righteousness?
7. Because the Gospel is true, now what?
